

1974 TRIUMPH TR6
V.I.N. CF17181UO

TOTAL FRAME OFF RESTORATION

EXTERIOR: White #19
INTERIOR: Black #11

Reconditioned to original as follows:

1) **ENGINE**

Carb. needles, Carb. kits, By-pass valves, Water pump, Front seal, Rear seal, Fuel pump, Heater valve, Points & condenser, Spark plugs, Alternator belt, Air filters, Upper radiator hose, Lower radiator hose, Hose clamps, Anti-freeze, Heater hoses, Oil pump, Oil filter, Pistons .010 oversize, Rob bearings .010 oversize, Main bearings .010 oversize, Timing chain, Lifters, Camshaft, Head gasket set, Lower gasket set, Temperature transmitter, Thermostat, Ignition wires, Thrust washers, Relief valve spring, Locking cam plate, Distributor cap, Rotor, Engine mounts, Starter, Alternator, Pilot bushings, Oil pressure switch, Oil pressure line, Lead wire, Drain plug, and Coil.

2) **TRANSMISSION**

Front and rear bearings, Layshaft and bearings, Sychro rings, Gasket set, Front & rear seals, and Clutch assembly. OVERDRIVE

3) **FRONT SUSPENSION**

Wheel bearings, Front springs, Spring pads, Rack boot kit, Sway bar links, Lower suspension kit, Upper A-Arm bushing, Ball joint, Tie rod ends, Front shocks, Brake pads, and Brake hoses.

4) **REAR SUSPENSION**

Differential mount kit, Brake shoes, Rear wheel cylinders, Spring pads, Shock links, Side shaft seal, Pinion seal, U-joints, Axle boot U-joints, Axle boots, Rear springs, Rear shocks, Brake hose, and 1" plug on frame.

5) **HYDRAULICS**

Brake master cylinder, Clutch master cylinder, Slave cylinder, and Rear wheel cylinder.

6) **SUBLET ENGINE**

Vat block, Bore block, Rebush rods, Grind crank shaft, Valve job, Install guides, Install harden exhaust seats to allow use of unleaded fuel, Surface flywheel, Clean radiator and Fuel tank.

7) **INTERIOR**

Knob set, Windshield wiper switch, Windshield washer switch, Upper shift boot, Lower shift boot, Left hand crash pad, Right hand crash pad, Switch plinth, Sun visors, Left hand top door pad, Right hand top door pad, Rear bulk head, Quarter panels, Wheel well cover, Door panels, Seat reupholstery kit, A-post seals, Drive shaft cover, Glove box, Door handles, Velcro for top frame, Top strap frame, Radio stand, Door panel clips, Shift knob, Key fob, Inside door handles, Pedal pads, Carpet, Sun visor clips, Turn signal switch, Rheostat, Factory replacement convertible top with reflective stripe, Wood facia dash, Left hand trim panel with speaker hole, Right hand trim panel with speaker hole, Interior screws, High/low beam switch, Window handles, B-post trim, Seat diaphragms, and Center plate.

9) MISCELLANEOUS

Front end alignment, Bonnet seal, Trunk seal, Windscreen trim, Windscreen seals, Head lamp seals, Overflow cap, Steering column grommet, Scuttle vent seal, Check strap seals, Inside door seals, Outside door seals, Soft top side seals, Radiator overflow bottle, Check straps, Hood catch, Transmission mount, British Leyland emblems, Wheel emblems, Outside mirrors, Trunk kit, Air deflector, Washer bottle, Grill finisher, Door lock set, Hood wedges, Mirror bracket, Head light rim rings, Wiper blades, Antenna, Hood cable, Horns, Battery box, Windscreen, Wiring harness, Fuel tank sending unit, Fuel tank seal, Trim rings, Wiper box bushings, Battery bracket, Steering column bushing, Under coat, Head light switch, Windscreen frame finisher (polished), Exhaust system, Sand blast wheels, Mount tires, Stuff seats, Brake switch, Positive battery cable, Ground cable, Trunk lock, Head lamp assembly, Reverse lamp lens, Taillamp gasket, Hand brake cable, Resevior brake master cylinder, Fuse box, Hand brake grip, Trunk carpet, Trunk panels, Window regulator, Glove box lock, Hazard flasher, Rocker moulding, Lamp sockets, Tag lamps, Relay, Front spoiler, Horn contact plate, Door glass, Speed-o-meter (reconditioned), Spoiler, Body mount kit, Transmission tunnel, Union Jack flags, Escutcheon behind handles, Hood pin, Boot slip joint, Lucas battery, Tack cable, Owners hand book, Door switches, Floor plugs, Steering wheel, Wiper switch, Rear badge, Front bumper (rechromed), Anti-run on valve, Ignition switch, Bulbs, Emission decals, and Oil cooler pipe clip.
